Contract Detail Form (Creation/Editing)

- **What it's for:** Used for b2b edit/view.
- **Main Sections:**
  - Contract details

    Contract details ongoing

    Customer and contract details
    Broker, customer, supplier, tariff and contractual terms / quantities.

Broker ID: 200	Broker / Client: Kunde200, Test200 · Testfirma 200 GmbH	Contract status: New
Utility: E.ON	Tarif: test	Contract date: 03/19/2026
Delivery start: 03/27/2026	Delivery: 03/27/2026	Total amount (kWh): 33
Flex Quantity Total: 20000	Flex quantity available: 10000	Flex-Provi X-Cite ct/kWh: 0,2

    Price and commission information
    Fields similar to those in the inventory system, for calculating sales, commissions and profit.

Energy price (EK) ct/kWh: 22	Broker's commission ct/kWh: 22	Provi X-Cite ct/kWh: 2	of which commission per processor ct/kWh: 0.0000
One-time broker commission €: 22	One-time fee X-Cite €: 22	One-time commission for processor €: 925.79	Provi(editor): Please select...
Annual fixed commission per delivery point broker €: 22	Annual fixed commission per delivery point X-CITE €: 22	remark: test	

    Detailed comment
    e.g. special agreements, deviations from the standard contract

  - Delivery points under this contract

    Delivery points under this contract
    Assign or create new delivery points.

    Assign existing delivery point: Please select... Assign
    + New delivery point

    Show column filter | Excel Import/Export Delivery Points to Contract | Manage delivery start and end times for all delivery locations
    Search in all columns: e.g. contract partner, street, meter, Malo...

COUNTER STATUS	ART	DELIVERY START	STREET	POSTCODE	LOCATION	COUNTER NUMBER	MARKET LOCATION	TARGET CONSUMPTION (KWH)	CONSUMPTION IS (KWH)	PROFIT (EUR)	PROMOTIONS
cancellation	Electricity		test test	123	123	test	—	0	0	€0.00	Edit Invoice

  - Revenue, broker commission and profit – target / actual

    Column headers are sortable (click on the header). The "Column Filter" button allows you to show or hide the filter rows.

    Revenue, broker commission and profit – target / actual

	SHOULD	IS	DIFFERENCE BETWEEN TARGET AND ACTUAL
Sales volume	€7.26	€1,500.00	+ €1,492.74
(-) Broker's commission	€51.92	€44.00	- €7.92
yield	-€44.66	€1,456.00	+ €1,500.66

    Actual values are calculated from the revenues of the delivery points and the broker's commission. Target values are later automatically determined from the entries in the contract header.

  - Invoices for this contract (Only incoming invoice)

    Invoices for this contract
    Outgoing invoices (to suppliers) and incoming invoices (customers / brokers) for this contract.

    Outgoing invoices | Incoming invoices

    Incoming invoices (customers / brokers)
    Incoming invoices are recorded in the customer details view and displayed here.

ART	INVOICE NUMBER	DATE	AMOUNT (EUR)	CUSTOMER / BROKER	BOOKING TEXT
Credit test	test	November 15, 2025	€1,500.00	Test company 200 GmbH	Credit test
